SN 2022/35 - Discontinuation Windows and Linux versions for discontinued APC/PPC

Key Information

The following operating systems belong to Automation PCs and Panel PCs that have been already discontinued. They are discontinued without information to customers because they were included in the last time buy quantities of the devices. The dates for last shipment and end of repair are adjusted to the dates of the PC systems. The last time buy date is only formal (for SAP) and not relevant.
