BnR Standard Delivery Lead Times October 2022

Dear All,

The enclosed sales notice provides an update on B&R's standard lead times.

As communicated back in August B&R is still facing extended lead times for some of our product groups. However, we are pleased to share improvements reflected in the attached updated standard lead times for the following:

- 8JS Motors (Kollmorgen Motors)
- 8KS Motors (Baumueller Motors)
- 8WS Motors (Wittenstein Motors)
- 8GP/8GA Gearboxes (Neugart Gearboxes); please note that for motor gearbox combinations the lead time of the motor applies.

The estimated lead times reflected in the attached document are effective with October 12, 2022 until further notice. B&R tries to meet these indicative lead times per product group; however, delivery delays may be unavoidable based on current market conditions and supply chain challenges.

Kind regards,

Robert Perperschlager

Hans Vollmann

Chief Operating Officer

Head of Delivery Scheduling / Customs & Export Control
