SN 2023/27 - Discontinuation Microsoft Windows 7 Professional/Ultimate

Key Information

Due to Microsoft's discontinuation of Windows 7 Professional/Ultimate we also have to discontinue the B&R offered versions.

Sales Notice Number	SN 2023/27
Creation Date	 16 May 2023
Last Modified Date	 02 Jun 2023
Author(s)	Herbert Wimmer
Sales Notice Type	Product-related
Product Group	PG HMI
Quicklinks	General Purpose Operating Systems
Status	VALID
Confidentiality	GLOBAL

Discontinuation

The following Windows 7 Professional and Ultimate are discontinued due to Microsoft's licensing model. Therefore, the lifecycle date (Last Time Buy and Last Shipment) below is triggered by Microsoft, without any prolongation options.

For the mentioned Windows products we don't have 100% compatible successor products. A possible solution could be Windows 10 IoT Enterprise 2019/2021 LTSC for currently available products (except Windows 10 IoT Enterprise 2016 LTSC only for APC/PPC2100).

Affected products

Lifecycle data

2023-07-01	Discontinuation
2023-12-31	Last Time Buy
2024-09-30	Last Shipment

Procedure

Customers will be informed via PRICS. Therefore, please make sure to maintain the notification recipients in CRM.

Lifecycle information about Windows Embedded Standard 7

Due to the upcoming Microsoft's discontinuation of Windows Embedded Standard 7 (WES7E and WES7P) we would like to inform that we will also need to discontinue the B&R offered versions in 2024 (Discontinuation 2024-01-01, Last Time Buy 2024-06-30 and Last Shipment 2025-06-30). The discontinuation will be sent out end of December 2023.
