## Hard- and Software Compatibility

For the mentioned Windows products we don't have 100% compatible successor products. A possible solution could be Windows 10 IoT Enterprise 2021 LTSC (UEFI and 64 bit only) for currently available products (except APC/PPC2100, here we can only offer 2016 LTSB / Legacy only. Please keep in mind that the discontinuation of 2016 LTSB will follow 2024).

## Pricing information

The pricing for orders in the Last Time Buy phase is described on the following page.
